2015

SHARIATPUR DEVELOPMENT SOCIETY
(SDS)

SDS

SDS is a non-political and non-profit making non-government organization (NGO) based in Shariatpur

SDS started its journey through some relief and rehabilitation work during the 1988 catastrophic flood.

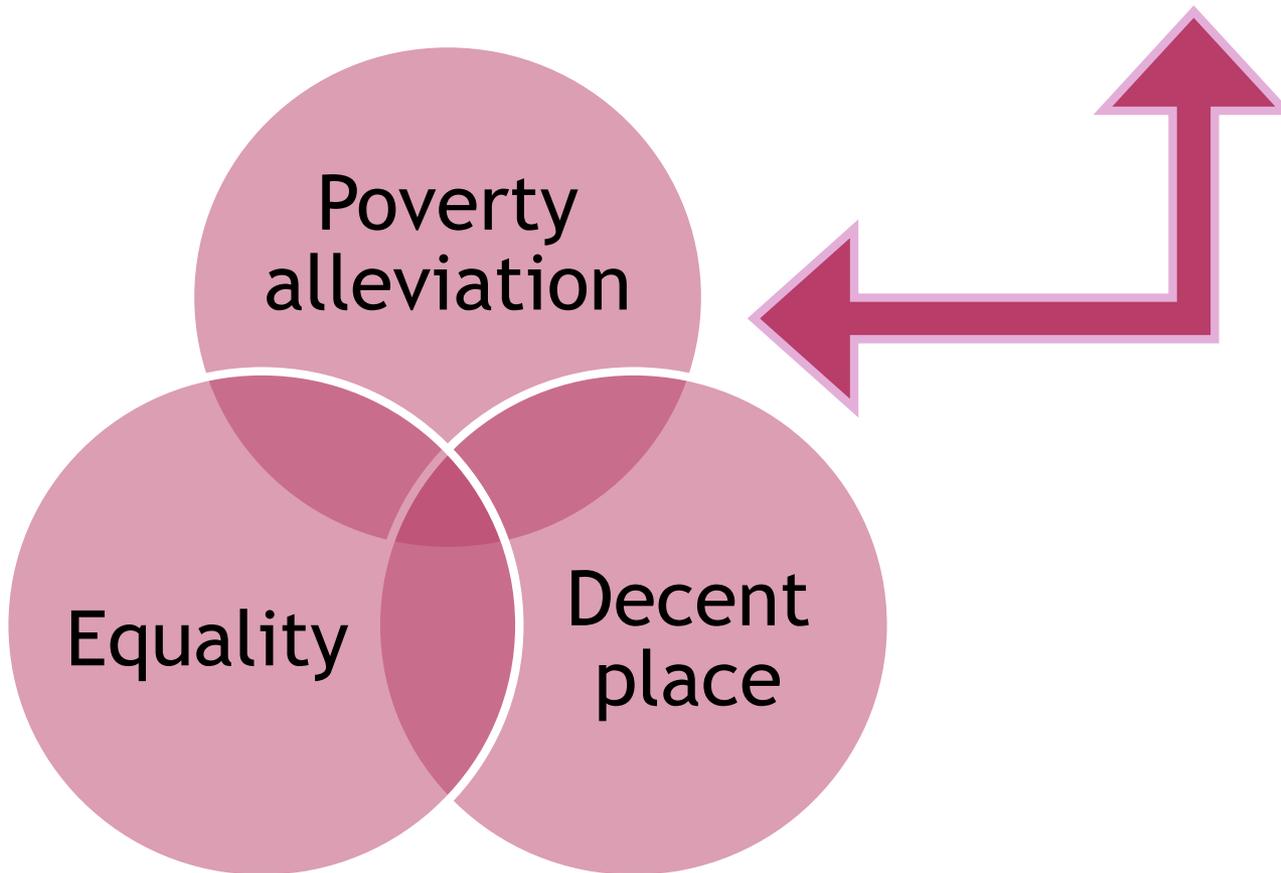

Founded by like-minded Red cross workers, lawyers, journalist and business people

Since inception, SDS is working with children, families, communities and local & national government to overcome poverty and to make justice for all

VISION

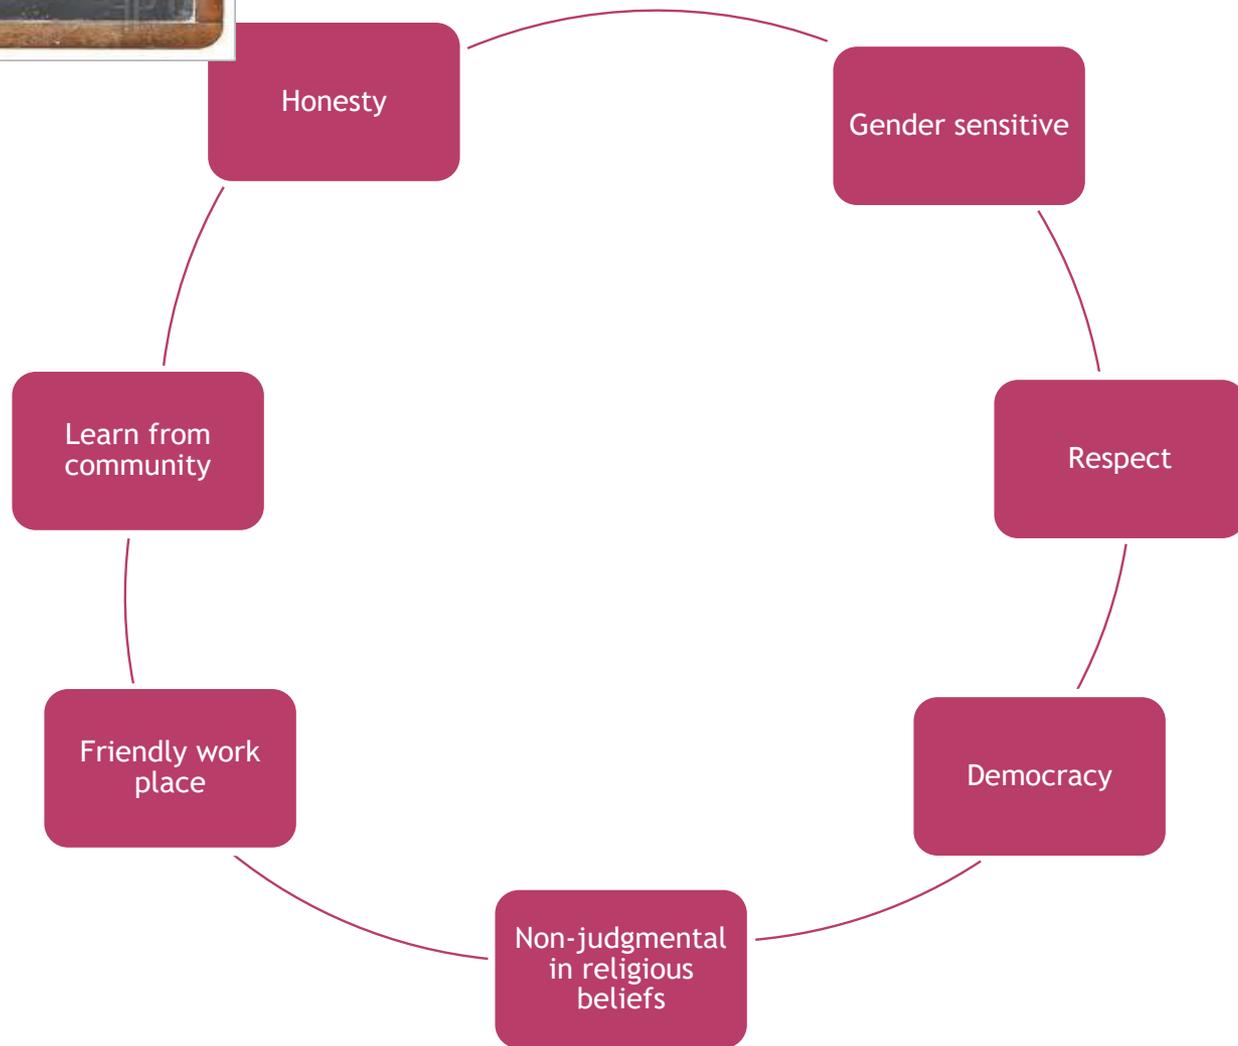

A just society without poverty, equality for everyone, decent place to live

The mission of SDS is to facilitate initiatives to work with underprivileged people to uplift their present situation. SDS is also committed to collectively work towards establishing economic, social, cultural, health, political and environmental rights as well as to bring about accountable and transparent governance system at all spheres of the society.

MICRO FINANCE PROGRAM

- Micro Finance support is one of the major program of the SDS.
- People who are leaving under poverty line, improvement of their socio-economic status are the objective of this program.
- Poor people have no capital for income generating activities.
- SDS provide them loan in exchange of low interest. By getting this loan, these poor peoples are made themselves solvent.
